A full refund will be provided for policies which are recovered within 10 days of purchase, as described in the section titled Right To Examine Policy.

There will be no refund of premium if a claim has been made.

Refunds for partial cancellations will be calculated by multiplying the daily premium by the actual number of days the policy was in effect; if this amount is less than the minimum premium required, the minimum premium will be used. This amount is then subtracted from the total premium paid.

Refund amounts less than the minimum premium will not be issued.
